Lets Fill Leytonstone With Art!

"Lets Fill Leytonstone with Art" is a project to involve the whole community with the Leytonstone Arts Trail. During the period of the Festival and the Arts Trail we are asking all households in Leytonstone to put up a bit of home made art in their windows.

Last year we had photos, paintings, collage, ceramics, knitting, embroidery, junk modelling etc.

Children were particularly enthusiastic but we also had a lady of 90 who decoratively displayed the socks that she had knitted; the whole community are able to join in. So display something that you, your family or friends have made.

So go on Lets Fill Leytonstone with Art!

17th July - 31st August

Join in with the Leytonstone Arts Trail by displaying your artwork in the windows of your home.
